

HOUSE CHURCH FLOW

DINNER & CONVERSATION (6:30PM)

Have music playing by 6:30pm & a sign on the door saying “just come in”

Have dinner ready for your gathering as they arrive. You don't have to wait to start dinner once everyone gets there, just let people eat as they come and facilitate an atmosphere for great conversations!

WORSHIP & SPIRIT-LED PRAYER (7:00PM)

Let everyone know worship is about to begin, but don't wait for conversations to finish. Go ahead and start and allow people to join.

Have everyone stand and begin worship (whether it is on TV, speaker, or live). This creates an environment of expectation and worship rather than just sitting to listen to a TV or speaker.

After worship, just transition to group prayer. Lead with prayer and then say something like “at this time everyone is encouraged to pray out loud as you feel led”

During the prayer time and discussion time, let the soaking worship tracks play to set a great atmosphere at a low volume.

PRAYER REQUESTS

During this flow, after all have prayed, open up to pray for prayer requests. This is the time for praying over needs, the laying on of hands for healing, etc. Pray in the moment and try to record prayer requests so we can pray over the people.

DISCUSSION

Use the Discussion guide to lead a discussion about the message.

CLOSING

Close in prayer at the end and then give announcements!
